Beaufort County Conservative Republican PAC is working to Save Our Kids. In the last election, we supported 3 Conservative Candidates that were elected. In the upcoming election 5 of the 9 districts on the School Board are up for election. We have worked for over 6 months to identify 5 Christian Conservatives to run for these seats. Our candidates are very strong individuals who have signed the attached School Board Candidates Contract with the Citizens of Beaufort County.

We know you may not be able to work in the campaigns to Save Our Kids but hopefully you will consider a donation to help us work full time to get a new School Board that will demand change. With your financial help and our hard physical work, we can turn our schools around.

Please make your personal check to: Beaufort County Conservative Republican PAC, and mail to 110 West 2nd St., Washington, NC 27889. We would also need to know your current or past profession or campaign reporting requirements.

Thank you for helping to Save Our Kids,

Adam W. O'Neal, Campaign Coordinator
